## Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

Applicants to WestCoast's internship program are selected based on criteria that includes academic preparation, clinical experience working with diverse populations, assessment writing skills and strong letters of recommendation. We are looking for individuals who value social justice and are willing to engage in conversations about race, power, privilege, and diversity in all forms. Strong candidates possess a perspective that is consistent with our agency mission, population and culture. Individuals who are of historically underrepresented racial and ethnic backgrounds, in addition to those who represent a variety of gender identities, sexual orientations, and diverse life experiences are strongly encouraged to apply. We have a stated minimum requirement of 300 intervention hours and 40 assessment hours, however please note that we understand the impact the COVID pandemic has had on training opportunities and encourage folx to apply regardless of whether they meet our stated minimal hours requirements.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	<b>YES</b>	No	Amount: 300
Total Direct Contact Assessment Hours	<b>YES</b>	No	Amount: 40

Describe any other required minimum criteria used to screen applicants:

Since assessment is a large portion of our training program, we require that applicants must have conducted at least 1 integrated assessment report. Required supplemental material: Redacted psychological assessment report. Completed dissertation proposal. Internship start contingent on satisfying background check (LiveScan), physical exam, TB test.
